### Check your spam or junk mail for the East Side Newsletter

Going forward we will be sending out a weekly newsletter. In this newsletter will be all upcoming events, happenings, and announcements for the church. For the Minute of Faith readers, there will be a section in the newsletter for it. It will no longer be sent as a separate email. **Please check your spam or junk mail for the East Side Newsletter.** It is common when switching systems of communication for your email filter to flag newsletters as spam. If the newsletter is in your spam or junk box, select "not spam" or "move to inbox."

We are sad and happy to announce that Corie Lanceleve will be moving on from her position of Creative Secretary at East Side to a new career as a Legal Secretary working towards becoming a Paralegal at a local law firm. Congratulations, Corie!
