

Remember & Celebrate

Feast of Harvest

This week's video will review the last six weeks of lessons. Watch with your family before learning about the Feast of Harvest together.

What is the Feast of Harvest?

Relate the following to your family. The Feast of Harvest is one of the spring holidays that God's people celebrated every year. When the spring crops had been harvested, the Israelites would travel to Jerusalem to the temple to celebrate God's provision. They would bring offerings and rejoice because God had provided grain for them! The Feast of Harvest was a very joyful holiday, and everyone was invited to celebrate. It was a time to provide for the poor and the strangers who lived in Israel. Everyone got to enjoy God's great provision by celebrating the Feast of Harvest!

Next, spark some conversations in your family using these questions:

- What's one thing you would love to have a lot of?
- What's your favorite season? Why?
- What's a time when you were happy to give someone a gift?
- What's your favorite thing about going somewhere different?

Take time to remember and celebrate all that God has done in the life of your family. Thank Him for the many things that we often expect or take for granted, such as food, clothing, and shelter. Remind your children that everything we have comes from God. Ask them to list some things for which they're thankful. Then read **Psalm 100** together and discuss these questions as a family:

- What are some of the things this passage says about God?
- What is your favorite thing about God?
- How can we remember and celebrate the things God has done for us?

Blessing:

Read 2 Corinthians 9:8 and Matthew 6:25, 33

(Child's name) May our generous Father in heaven bless you with peace as you trust Him to provide for you this week. He is faithful, loving, and able to provide for all of your needs.
