This week, use these open ended questions to spark conversation!

- I wonder...What would it be like to see Jesus heal someone?
- I wonder...What did the man do after Jesus healed him?
- I wonder...What do I need today?

Respond

- Partner Up

Gather two towels, two buckets and pairs of relay items such as, beanbags, balls, plastic cups, etc. Make your relay items identical. Place your towels and items at one end of your room and the bucket at the other. Say, **"The friends in today's portion of The Big God Story worked together to get the paralyzed man to Jesus. Now we're going to play a partner game where we'll work together too."** Divide your family into teams and have the teams partner up. If you don't have enough members in your family for this game, try doing time trials instead. **"To play, the first set of partners from each team will each hold the same item on their towel and carefully and quickly get it to their bucket across the room. They'll then return with the towel and hand it to the next pair on their team. (or grab the next item)"** Then switch up teams and try again. You may also choose to complicate the game by asking partners to walk in a specific way to the buckets. This might include baby steps, giant steps, and so on.

Blessing
