Luke 5:1-11

Watch the Video and Pick an Activity!

- Fish Friends

Gather paper plates, scissors, a stapler and markers or paint. Cut a "pizza slice" out of the plate. The opening will be the fish's mouth. Attach the pointed end of the piece you cut out to the side of the plate opposite the mouth. This will be the fish's tail. Say, **"Who made the fish that swim in the sea? That's right, God did! God made all the fish different. Let's use the paint/markers to make our fish look different!"**

- Dough Fish

Gather play dough (a few different colors), a marker and a piece of construction paper. Draw a large fish on the paper. You might also want to tape the edges of the paper to your table. Ask, **"Would you like to make a beautiful fish today? Did God make the fish in the sea one color? No, God made each fish to be special and different. Let's use the play dough to fill in the fish shape so it looks beautiful."**

- Song of Celebration

Cue up a worship song. Try ['Follow Me' by KidSpring Children's Ministry](#). Say, **"We've just learned how Jesus chooses us to follow Him. We can tell our friends and family about Him too. One way we can celebrate all of the exciting things about God is to worship Him. I love to worship God with a song and a dance. Let's stand and celebrate Him together!"** Worship together as a family!

Blessing

Read **Matthew 8:19b** *"I will follow You wherever You go."*

(Child's name) Jesus loves you so, so, so much. May you follow Jesus every day.
