

# God's Plan is Best

Luke 5:1-11

## Watch the Video and Discuss!

- What happened when Jesus told Peter to put his nets in the water? (Luke 5:6–7)
- What does it mean to fish for people? (Luke 5:10)
- Why is God's way the best way to live? (Psalm 145:17)
- How can we be part of God's plan? (John 3:16)

## Respond

- Fish Toss

Gather 2 blankets or bath towels and 2 balls. Say, "**Jesus provided Peter with an amazing catch of fish and invited him to fish for people. God's plans for us are always best. God invites you to follow Him each day - to learn from Him and tell others about Him too. Let's have some fun as we pretend that these blankets are 'nets' and try to catch some pretend 'fish' that will be these balls.**" Split into two teams and give each team a blanket/towel. Have them pick up the blanket and spread themselves around the edges. "**I'm going to place a ball, our 'fish,' in the middle of the blanket. As a team you'll have to work together to toss the 'fish' to the other team. The other team will have to catch it with their 'net.' Then the second team will toss it back.**" After a few turns, add a second ball and see if you can toss them both at the same time. If you are short on people, try throwing the ball up and catching it again. How high can you make it go?

## Blessing

Read **Ephesians 2:10**

**(Child's name) May you know that God's plan is best. May you know that God sees you and invites you to follow Him.**
