

East Side Ministry Opportunities

Family Support Team

We are looking for people who would be willing to help in the support and resettling of a new Syrian refugee family. People who could help set up a house, provide transportation, assist them in connecting with schools, medical and dental, helping with finances and government forms and just building friendships and support. Our aim is to show Christ love in a practical way.

East Side Garden

We are looking for people who would take on oversight and promotion of this project. All produce is donated to the Salvation Army Food Bank and families in need.

Camera & Technical operators

In the next month, we anticipate receiving some new cameras to assist in our online services and ministries. We are looking for people who would like to learn and serve in this way.

Handy-Man Ministry

With our expanded facility we are setting up a group of volunteers to make minor repairs and keep our facility in God-honoring condition. Please contact Henry Klassen if you would be interested.

Missions Committee Members

We are looking for people who would be willing to help East Side grow in its outreach both locally and globally. Please contact Carol Dyck

Testimony

“If we want to build a youth ministry that glorifies God and produces fruit, then we need to build on the foundation of Jesus.” Parker

[1 Corinthians 3:10-13](#)

¹⁰By the grace God has given me, I laid a foundation as a wise builder, and someone else is building on it. But each one should build with care. ¹¹For no one can lay any foundation other than the one already laid, which is Jesus Christ. ¹²If anyone builds on this foundation using gold, silver, costly stones, wood, hay or straw, ¹³their work will be shown for what it is, because the Day will bring it to light. It will be revealed with fire, and the fire will test the quality of each person's work.

Sock Drive update : We held East Side's 1st Annual Sock Drive and we set our goal at collecting 100 pairs. To date we have delivered over **700** pairs of socks. The recipients of these socks were The Family Resource Center, Central School, Salvation Army, Rock Solid, Women's Shelter, and Canadian Mental Health. We would like to thank everyone for being so incredibly generous and helping us to be the hands and feet of Christ within our community!
