- **Go Tell the World**

Print off the World Template [HERE](#)(or draw your own) and gather paints, crayons or markers, etc. Say, "**Jesus told his friends to tell the entire world the good news of Jesus and His love. We have a picture of the world here. This picture can remind us of all the people in the world who need to hear about Jesus, the Good News. You get to paint/color the world to show all the beautiful colors God created.**" As your child paints/colors, encourage them to think of a person in their lives who might need to know Jesus.

- **Bubbles to the World**

Gather bubble solution and wands for blowing bubbles. (You can find a recipe for homemade bubble solution [HERE](#)) Say, "**I love blowing bubbles, don't you? When we blow bubbles, they fly all over the place. We can pretend they're floating all around the world—just like we can take the good news of Jesus around the world! I'm going to blow bubbles, and we can watch them float around.**" Don't forget to give your child a chance to blow bubbles as well!

- **Coloring Sheet**

Print the coloring sheet [HERE](#) and let your child's creativity flow! Put on some worship music while your child works, such as "[Go](#)" by [Seeds Family Worship](#).

Blessing •••••

Read [Isaiah 6:3b](#), "*Holy, holy, holy is the Lord Almighty; the whole earth is full of his glory.*"

(Child's name) may you know that Jesus is the Good News!
