- God is Love Collage

At the top of a piece of paper write 'God is Love.' Cut heart shapes out of different types of craft supplies (foam, felt, cloth, textured paper) and get some glue. Say, "**What do you think of when you see a heart? It makes me think of love. God is love. He loves you so very much. His love for you will never change. His love will always be with you.**"

Encourage your child to glue the different types of hearts to their paper to make a collage.

- Where is the Love?

For this activity you will need several heart shapes. Hide the shapes around the room. Say, "**God is love. He loves you! Today we're going to look for hearts that are hidden around the room. When you find a heart, I want you to shout, 'God is love!'**"

- Coloring Sheet

Print the coloring sheet [HERE](#) and let your child's creativity flow! You can also put on a song while your child works. Try "Jesus I Will Follow" found [HERE](#).
