## Respond

- God is Like...

Prepare a snack and gather your family together. Say, "**When the Prodigal Son came home to his father, his father threw him a party and celebrated his son's arrival. Though his son had sinned and made mistakes, his father welcomed him home and wanted to celebrate him. What does this parable tell us about what God the Father is like?**" Encourage responses from everyone, especially the adults. "**God is like the father in this parable. He loves us and wants us to know Him. Even when we make bad decisions, He wants to be with us and help us to make better choices. Let's spend some time celebrating God together.**" Enjoy your snack while you continue talking about what God is like. (Loving, forgiving, caring, etc.)

## Blessing

**(Child's name) May you know that you're a child of God. May you remember your Father will always respond to you in love, for He is love.**
