

# Read, Ask, Pray, Play

**Play:** Raid each other's closets and your tickle trunk and pick out a silly outfit to wear. Play music and have a fashion show where each person models their outfit. Have everyone share which outfit was their favorite and why.

**Read:** Colossians 3:12-14

**Ask:** Are there words in these verses you don't understand?  
What does Paul tell God's dearly loved children to put on?  
What would it look like for someone to "wear" each of these virtues?  
Which of these things is the hardest for you to put on?

**Pray:** Ask for forgiveness for times you've failed to treat others the way God commands.  
Pray that God will help you love and forgive others the way He loves and forgives us.
